Arts faire disclosing bud peeps out and shoves
Virtues Blossomes early blowes;
Love, Ingenuity, whose end drew nigh
Disputed long, where they should buried lye
At last being lost, this bosome made appear
Art, love, wit, virtue, are entombed here. IR

What never done with this Brachygraphy
Must words vanish, or into Atoms fly:
Care must be taken lest Syllables next go
When severall thousands dwindle at one blow
Though such A number^s lost, we retaine some
And that our comfort (Ne plus ultra^s) come.
Our feare is past we will no more contend,
But strive to give this Art its due commend,
Were it but more diffusid and better knowne
All blind obstruse Ideas would sink downe
And rusty Antiquaries would not fix
Their minds on doating Hieroglyphick^s
The Symbols of this Art if that were all
Would cause old China^s Characters to fall
The learned scarce from those could extract sense
When Short hand carries its one evidence,
Its no less comprehensive, yet so plaine
To condescend to A Plebian brain
Yet here the learned with delight may sit
And find Imploy for the Acutest wit
The ingenious Arches and those pithy rules
Surpass the learning of the common Schooles.
Sermon^s this Art transfers, its oft known
The Country reaps what^s in the City sown;
The Sacred pulpit is not its confine
The genrall good^s this Arts main designe
To Attempt its praise is folly, and be brief:
Silence in this will be our sole relief.
Short-hands compleat thy port at length's attained
Then aquiesce for now thy requiem's gaind/. R.G.

To all my Scholars in London Bristoll and Exeter
and the Intelligent Reader.

Considering the publick benefit that might accrue, by the delatation of the knowledge of this Art, at present solely confined (in its full latitude) in my owne brest my other various concerns impeding my constant personal attendance. upon mature deliberation I am induced to expose this Completion, to the publick view, that, though I am circumscrib'd as to time and place; this may with freedom at any time take its progress being desirous to waite my owne emolument, and postpone my particular interest to the general good in pursuance of which I shall remove two straws at which, (experience informs me) some have stumbled and denied themselves the great advantage of this Art; The first is it spoyle their long hand I Answer it is a great mistake can one hand of a different letter in position transposition and connexion, prejudice another: a person may with greater reason averre, that he which writes Court-hand, shall marr, and render himselfe incapable of being an Artist in Italian or any other usual hand: if this had the least graine of weight, its strange that so many eminent Professors of Calligraphy should be such Proficients in this: the true cause is concealed, it is not Short hand but an habitual and affected swiftness, in the other, that ruines faire writing, and often confounds sence. The other is, it is burdensome to the memory. this requires no answer, but I shall A little comply. can the memories Remembrance ever instill oblivion can the sun's concentrated beams direct its Influence? confess I will it charges it with A little that it may discharge much it deposits A mite in its treasury that it may from thence disburse talents: it useth the memory that it may Improve it, it is known that one small Idea being but represented to the phantasi. A great part of a discourse is often recollected; it helps the memory extremely, and (unless there be A real Art) beyond any thing. the objections are frivolous, I shall desist and appeal to the skilfull in this Art. Nothing but Ignorance and Idleness raise these scruples, whereas Industry and resolution meet no Impediments You that have been my Scholars and severall thousand others do highly value the worth and utility of it and, for the Courteous Reader (if any thing seem difficult to him in this booke) I shall Instruct and give him full satisfaction in all things gratis, that this Art may be the more diffused: which is the greatest acquisition he aims at who is y.^r Sa: Botley

Note that these rules alone brings you to write any maner of discourse without any more help and for the Simbolicall Characters you need not fear to get them by heart; for do but write them and you have them; For I Affirm) they are so far from burdening, that they teach the art of Memory more exact than the Egyptian Hyeroglyphicks — Note that your times of learning be first in morning and the last work at night by which you will retain it fresh in your Memory and that you learn but a little at one time and that perfectly never more than one houre at a time to write for when you take it by little and little it comes easily; learn to make fine Penns and small Characters you must write constantly by rule never mix long hand with Short; but if at first you cannot write all be shure you write Sentences and read them soon after you have writ them; let your book be but 2 inches

broad when it is open and by	that means you may break of at the end of	any Sentence when you please and read it	with much more ease

The next thing and that wherein the curiosity of this Art consisteth in above others, are the rules of Contractions, which lyeto your View, and you must learne their places as you did the places of the Vowells the first Rule is express by one tittle the second rule by two, the third rule by three tittles the fourth rule by one tittle under another and the fifth is to express the word more by adding aside more either to the 3^d or 4th rules, as for Example to write to come to god your mark for god is thus (y) set a tittle on the left hand thus (y) to depart from Christ (x) to depart from the Nation (n)

The Rules of Contraction to write a Sentence as seems as a word		The XII Rules of Con- tractions by the Alphabet		10		14		
1	To come to (.)	To goe or depart from	For the sake of any (y) Person For he that comes to For he that departs from	6	Majesty (M)	10	Safety (S)	14
2	Men or sons Saints Women or daughters	It is good for happines (h)	Heavines Holynes	7	Nature (N)	11	Taught (T)	15
3	Leaves Wages love (..) works power	Humility	Calamity (C)	8	Paine (P)	12	Vanity (V)	16
4	Doctrine called forenough (:)	Covenant	Kindnes Coldnes	9	Labour (L)	13	Righteous ness (R)	17
5	More of the love of God	Life Illumination	lofs		To run to	to run a from	When you com to	When you depart from wonder
	More of the beauty of Christ				Refurrection			

Examples for the second rule the people of god (y) a child of the devills (x).
 Examples for the 3 Rules the wisdom of god (y) Examples for the 4 Rules the
 beauty of Christ (x) Examples for the 5th Rule more of the love of god (y) and
 Know that the titles express that word in which place you put them some Ex-
 amples for the 12 Alphabeticall Rules which must be got by heart by which you
 may express Thousands of sentences by placing the letters about the choise substan-
 tive (as thus if you would write the humility of Christ your mark for Christ
 is (x) then put your (h) under it in the place of humility thus (h) and so of all the rest
 of the Alphabet in like manner; which you may write 20 Thousand sentences more of 7 and 8th arches
 shows you to express the 20 arches in any sentence.

A little under the Substantive Signifies to Understand	A little un- derneath the Ad- jective is to understand	If the sentence begins with this you must turne the Titles on one side this	Turned on the side signifies god will not give
To Understand the love of god	To Underrate the love of god	This is not the worship of god	God will not give his spm
To Understand the Mercy of god	To Underrate the mercy of god	This is not the wisdom of god	God will not give his love
To Understand the lawes of god	To Underrate the lawes of god	These are not the people of god	God will not give his mercy
To Understand the power of faith	To Underrate the power of faith	This is not to run to god	God will not give his spirit
A little lower Adjective Signifies to lay hold on	To Underrate the people of god	These are not the men of the world	God will not give repentance
To lay hold on the Mercy of god	To Underrate the Children of god	This is not the happings of a child of god	God will not give grace
To lay hold on the love of god through Christ	To Underrate the lawes of the lord		God will not give glory

Note theis eight arches needs little more directiō then what you find writ in them (1) note if you put (o) in come to place then he come to any thing, or if it be put on the other side the he departs from any Substantive (2) shoves (1) and (o) to be placed by the 2. Rule of contraction in the roome of the titles (3) shoves (v) and (q) to be vsed in the place of the titles for the words they stand for in the 3 Rule of contraction (4) shoves your character for theise by making a little dash more to it is used for both y³ rule & as it is for y² (5) shoves a double contracom by 2 letters of y³ alphabet (6) shoves a title between 2 substantives expreseth from (7) and (8) shoves themselves

how to Contract about the first rule	your (6) and (o) must be pla- ced about the 2 rule	your mark for order and question must be placed about the 3 rd rule	your mark for theise is pla- ced about the 2 nd and 3 rd rules
he comes to god — } o	To be the people of god — } y	in order to the worship of god — } y	Theise are the people of god — } y
then come to god — } y	to be the servants of god — } y	in order to the wisdom of god — } y	this is the wisdom of god — } y
then they that com to god — } y	to be the Children of god — } y	in order to the feare of god — } y	theise are the saints of god — } y
they that depart from god — } y	to be the saints of god — } y	in order to the lawes of god — } y	theise are the wajes of god — } y
all that depart from god } y	to be a daughter of god — } y	to question the feare of god — } y	theise are the children of god — } y
the Congre- gation of saints that com to god } y	he his an eminent servant of god — } y	to question the worship of god — } y	this is the feare of the lord — } y
when a man departs from god } y	he his an eminent saint of god — } y	to question the wajes of god — } y	theise are the daughters of god — } y
a soule that comes to lay hould on the mercy of god — } y	he is an eminent child of god — } y	to question the lawes of god — } y	this is the worship — } y
		to put in question the love of god — } y	this is the love of god — } y

Remember these Rules (begin with your alphabet and be very perfect in one before you take another, let your lessons be little at a time and abridges make a small character and that you may readily read what you write, be shure you read itt as soone as you have written til you are well grounded in it, alwaies observe to make the letter which begins the word bigger then the other letter which ends the word; (example) to write (fill 7.) by this you know which is the comanding letter & it will make you write it carefully & read it plainly: be shure you offer not to take a speech or sermon till you have very well ysed your hand to write out of books & never write long hand with y. short go slow & go shure

how to expreſſe a double contraction by two letters of the alphabet	how to expreſſe (from) betwene two Subſtantives	a ſtroak drawne from the Subſtantive to the right hand is to be joyned	a ſtroak quite through is to embrace
To be mercifull as god is mercifull —	From god to man —	To be joyned to the people of god —	To embrace the people of god
to be holy as god is holy	from man to god —	to be joyned to the ſaints of god	to embrace god —
to be humble as chriſt was humble —	from heven to earth —	to be joyned in love to the ſon of god	to embrace the love of the ſon of god
to be happy as the ſaints of god are happy —	from earth to heaven —	to be joyned to the children of god	to embrace the croſſ of Chriſt —
to be negligent as the world is negligent	from nation to nation	to be joyned to the ſervants of god	to embrace the croſſ of the world
to be miſerable as the world is miſerable	from Kingdome to Kingdome	to be joyned in love to thoſe that are not the people of god	to embrace thoſe that are not the people of the world
	from grace to grace —		
	from glory to glory		
	he that departs from god goes to the devil		

Note that (s) shewes the use of (d) and (s) shewes if (d) be made large under the substitutive it denotes an admiration, and in (c) you are to take notice that all persons are included in the second rule, as People, Servants, Saints, Men, or Sonns, Women or Daughters, or Children; and a single person is Express'd by a single title, as Servant, Saint, Son, Daughter, Child. If therefore a person or persons be plac'd by the cheif substantive, while (d) is set on the right hand then y^e (d) speaks the desire of that person & y^e 78. & 9 arches Explaines themselves

Abbreviations upon the letter (c) (s)	an Equal distance signification before	a double distance signifies (be it far from)	How to Express a Question asked	The place of (d) in a contraction
By the law of sin	Before the people of god	Be it far from god	Is this the wisdom of god	To be doubtful To be deliver'd from The depth
By the people of god	Before the Kings Majesty	Be it far from Christ	Is this the worship of god	To be doubtful of the love of god To be deliver'd to Sathan

By the wisdom of god	Before the Minister	Be it far from a child of god	Are these the men of the world	the depth of the mercy of god
By the love of the Son of God	Before the great day		Is this to presume to come to lay hold on the mercy of god through Christ	5 $\frac{1}{2}$ O the depth of the wisdom and knowledge of god
